

CHIKASKIA TEAM

The year is coming to an end...but as we have been telling the students in class; they need to work hard until the very last day. We have had a great year and have seen a lot of growth in our students. We have had a wonderful time getting to know them and know that they will move on to the DCHS and be successful! Leaving middle school is always bittersweet- for the kids and the parents. It's another milestone. The kids are ready to grow up and move on, but always a little nervous about the next step. We encourage all our students to have fun, study hard and enjoy every moment. If you thought middle school went fast, your high school years will fly by even quicker. You are all capable of great things...and we look forward to seeing you continue to grow and become wonderful young adults.

Have a safe and happy summer!
