It is against the copyright law (Title 17 U.S. Code) to make photocopies of published music. However, photocopies may be used if written permission from the publisher is obtained or written documentation is produced from the publisher or vendor, verifying that the music is out-of-print with no new scores available, that purchased music copies are back-ordered, or the vendor is authorized in print to sell printed copies of music from internet publisher websites and their imprint is on the music.
