

Festival Etiquette

4. Festival Etiquette
 - a. Directors/chaperones are required to stay with their students for the duration of their students' performances. They are responsible for attendance and monitoring of each of their students
 - b. Directors, parents or students are not allowed access to the adjudicating areas or festival administrative office before, during, or after any festival, unless authorized by a member of the Festival Committee.
 - c. Directors, parents or students may not discuss a rating with an adjudicator before, during, or after the festival.
 - d. Stage presentation, appearance, and attire will be considered in the overall rating.
 - e. It is the responsibility of the directors of each participating school to secure transportation to and from the festival site.
 - i. Information on student drop-off, transportation vehicle parking, and student pick-up will be sent out with the festival's master schedule.
 - f. It is the responsibility of each director to secure chaperones for their students.
