

KIOWA

Welcome to the Kiowa Team here at DCMS. We are excited to be working with your children this school year. If you would like to contact the team please call 227-1610 from 9:15 – 9:50 a.m. We will also be happy to arrange a meeting with you at this same time. Individual teachers may be contacted by phone before or after school and during their individual planning periods. Each teacher also has an e-mail address.

We very much want to keep the lines of communication between teachers and parents open. One way we do this is through the student handbook/agenda. Our team expectation is that every child will take their agenda home at least on Friday night. We ask that you read the agenda for the past week and sign it. Also, notes from teachers are written in the agendas. Please question your child if they are not writing in their agenda. Planning your work is an important life skill we are trying to promote. The agendas must be filled out and signed weekly in order for students to leave the classroom to go to their lockers, get drinks of water, and so on.

Thank you for your cooperation and we are looking forward to a productive and rewarding school year.
