

Medicine Lodge Team
The Extraordinary Electives

The DCMS Cardinal Choir, under the direction of Mrs. Patricia Ahern, will close out the school year with their spring concert on Thursday, May 17th at 7pm in the auditorium. They will be singing a variety of pieces and will feature several soloists! The choir will also be performing at the Cardinal Jam talent show on the last day of school, Wednesday, May 23rd. We've had a great year, so come and celebrate with us!

The Medicine Lodge Team (Electives) will be having their Student of the Month Celebration on Thursday, May 3, 2012 at 7:30 a.m. in the Band Room. Selected students and their parents are invited to come to celebrate the students' successes. We are so proud of you!

Erin Slatterly (Band) – Mr. Richins and Mrs. Pacifico are very happy to select Erin as band student of the month. She is very respectful, attentive and focused during rehearsal. Very rarely do we have a student that balances all of her activities as well as Erin does. We can't wait to have her in high school band next year!

Ezequiel Ponce (Band) – Mr. Richins and Mrs. Pacifico gladly nominates Zeke as band student of the month. Zeke has done a fantastic job in the tuba section at DCMS. He regularly stays to practice and takes care of business when it comes to band rehearsal. We are excited to have him in the tuba section at DCHS next year!

Jennifer Olivares - Giselle Casa Sanchez - Robert Waddell - Denisse Monreno Salinas - Leslie DeLuna
They are all nominated because they have been working really hard on the skit for sixth grade orientation stepping up and learning their lines by memory and being a leader for the whole class and showing what hard work and dedication does in the end results. All of them display outgoing personalities and individualism on stage and in class!
Mrs. Danna Weil

Ariel Dickerson (7th Grade Art) is a hard working young lady who is kind to her peers and teachers, responsible and dependable. She does excellent work because she applies herself and tries her very best every day.
Mrs. Rebecca Stateler

Holly Archuleta (Sculpture) comes to class everyday with a positive attitude. She is open minded to new ideas and materials we use in the sculpture studio. She is willing to take the risks necessary when performing new concepts. She tries her best and does not worry about what others think. She works well with others and encourages others to apply themselves and participate. **Mrs. Rebecca Stateler**

Autumn Towell (Painting) is naturally artistic and creative. She has demonstrated a willingness to try new and different kinds of artistic styles and techniques. She wants to create art that she can be proud to share with others; therefore, she truly applies herself in the painting studio by staying on task, putting forth the time and effort necessary to accomplish this goal. **Mrs. Rebecca Stateler**

Bryant Harris (Lifetime Activities) Bryant has matured a ton since last year. He is a gentleman and works hard in class every day. When I need something or someone to partner up with another student, he does so without being asked. I couldn't ask for more from Bryant. **Mrs. Katie Szymczak**

Ivan Ochoa (Lifetime Activities) I have had Ivan since he was a 4th grader at Linn. Always has been a top notch kid that works hard and is respectable. Sometimes you don't know he is there because he's doing what is supposed to be done and is very quiet. Model student! **Mrs. Katie Szymczak**

From 7th grade, I've selected **Juan Acuna Salgado and Emily Alfonso (Enriched Services)**. Juan is almost always the first student to arrive for 2nd hour and he's always prepared and ready to go. He works hard, takes his notes and seems legitimately interested in what we work on. He always has a smile on his face and always works well with the other students. Emily is fairly new to us in Dodge City, but she has adapted well. She too is a hard worker and does a great job in class, showing a lot of enthusiasm. She and her robotics partner worked hard creating and programming their robot for the competition a few weeks ago and they showed a rare responsibility, coming in and taking care of their robots before any other students thought about it. This was greatly appreciated. **Mr. Brian Steib**

Cardinal Copy

From 8th grade, I'm choosing my entire 8th hour, **Madison Duran and Priscilla Flores (Enriched Services)**. Both girls are always responsible and do a thorough job in their work, taking down all the notes for the day and working through any projects as completely as they can. Madison showed great dedication and study skills in preparing for the Medieval Europe test we gave a couple weeks ago. Priscilla goes with the flow and completed a team competition alone a few weeks when Madison was out of the classroom. Both girls are models for their classmates and will be immensely successful next year at the high school, and I'll miss having them in class. **Mr. Brian Steib**

Katherine Rostetter (Orchestra) Katherine has shown great improvement from the beginning of the year. She used to be very chatty, but she has become a very helpful, dedicated orchestra student. Katherine helps out when there is a substitute and helps me get the class quiet when I need them to pay attention. Thanks for your hard work and improvement, Katherine! **Ms. Whitney Van Der Kamp**

Austin Nelson (Orchestra) - Austin has shown a lot of improvement throughout the school year. He knows when he makes a mistake, and he is quick to fix it. Austin is always paying attention and I enjoy having him in class. With Austin receiving Student of the Month, that means that all of my 8th grade viola players have gotten Student of the Month this year. I guess that means there is just something fantastic about viola players 😊**Ms. Whitney Van Der Kamp**
